

S.EA Society Membership Form

Welcome to S.EA Society!

S.ea. Experience is a new and original encounter that functions as a showroom, boutique apartment, and a journey through S.ea. Consulting in the design industry.

S.ea. Experience preserves the finest aspects of its innovation and exposes visitors to the best locally made pieces, reinventing spaces to create a dynamic fusion of old, new, and present aesthetics. We invite you to enjoy the art of interior design under the direction of Anderson Edewor.

The lobby projects an experience, providing a gallery, an innovative space for guests to view present and past projects, and a retail experience (home accessories and a Ready-to-wear collection from the best Nigerian designers).

Our passionate staff is committed to providing authentic personalized services to ensure you have a memorable experience that leaves you with a feeling of nostalgia...

Your S.EA Society membership is a contribution/support to building our economy through the support of Made in Nigeria products and services.

At S.EA Society, we are a community that supports creativity/innovation and celebrates locally-made designs, recycling, and upcycling objects as our eco-friendly approach to design. We aim to be the powerhouse in the creative industry across Africa through hospitality, fashion, interior design, arts and crafts.

As we aim to curate the best experiences in Lagos and across Nigeria, we at S.EA Society have access to social scenes (High end restaurants, upscale lounges, clubs, fashion shows, wine tasting experiences, gallery exhibitions, exotic car rentals, helicopter pickups, boats, and beach houses) to leisure opportunities, making every moment an adventure.

We can also curate international trips, from visa assistance to ticket bookings and planning itineraries.

As members of the S.EA Society, we are dedicated to assisting you in identifying and securing the finest real estate opportunities. Whether you are seeking lands for purchase or lease, or exploring available properties for acquisition, our network is here to support your needs.
